## INDEPTH PRODUCT DESCRIPTION:

## Rio Rapid Heel Smoother

The Rio Rapid Heel Smoother gives instant smooth results with durable crystal tips smoothing away calluses and removing dry skin on heels and toes in seconds.

With durable speeds of up to 4400 RPM the Rio Rapid Heel Smoother quickly and effortless gets to work on those not so nice areas of your feet. Additionally the unit comes with a shield/collector that protects your hands and collects the dead skin cells at the same time.

## HOW IT WORKS?

To use, simply click one of the tips into place, turns the Rapid Heel Smoother on and select the speed setting you require, either regular or intense. Work your way around the treatment area until you are done before moving on to the next area.

## LARGE CRYSTAL TIP

**LARGE CRYSTAL FILE**  
Removes dead skin cells, dry skin and calluses to make your skin smooth, ideal for larger areas like the heels.

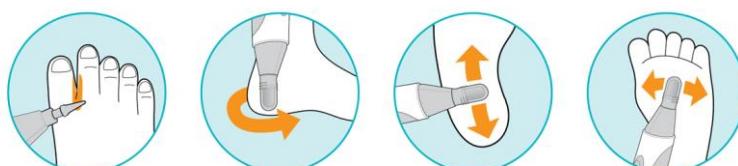

## SMALL CRYSTAL TIP

**SMALL CRYSTAL TIP**  
Removes dead skin cells, dry skin and calluses to make your skin smooth, ideal for smaller areas like the toes.

## **TREATMENT AREAS**

- Sole of the feet
- Around the heel and surrounding areas
- In-between the toes
- On the ball of the foot
